

Players/Performers and Parents,

Just a quick introduction for those of you who don't know me. My name is Craig Peterson and I run EventPicz.com. I am an event photographer who specializes in sports photography. I have been producing photographs of sports teams for several years now and will be doing that again this coming season. I want to make you aware of my services and invite you to relax and watch your child play the game (ore perform in the event) and I will make sure they have photographs to remember the year. Please email me if you have any questions at craig@eventpicz.com.

Photographs of the events can be found on my website at EventPicz.com. You can view them from that site for free with no obligation to purchase anything. If you desire to purchase photographs, you can do so right from the site. If you want to order several digital images, I do have two main products that are explained below. The nice thing about preorders is that I know who is interested in photographs so I know which events to photograph.

Digital images are available in CD format for individual players. These CDs bring the per image price to less than 20% of the digital download option in the storefront. The price is based on how many images are selected and if the disc is preordered. Current pricing is as follows:

Mini CD is \$60.00 plus tax. This disc includes up to 10 digital images. Additional images over 10 will be charged at \$5 each. Preordering a mini CD reduces the base price to \$55.00 with each additional image priced at \$4. A non-refundable **deposit of \$30** is required for the preordered CD (cash or check only).

Regular CD is \$100.00 plus tax. This disc includes up to 20 digital images. Additional images over 20 will be charged at \$4 each. Preordering a regular CD reduces the base price to \$80.00 with each additional image priced at \$3. A non-refundable **deposit of \$40** is required for the preordered CD (cash or check only).

(Discounts may be given for purchasing multiple CDs for the same player for another season or for a different sport.)
